CHURCH LANE, SALISBURY, WILTSHIRE, SP3 5LA

Set within a development of former stone farm buildings, this is an imaginative and versatile period barn conversion. Garden and off-street parking.

The property is the particularly generous and versatile three-bedroom period barn conversion which forms part of a small development of farm buildings in this edge of village position. The accommodation has been refurbished by our client to include a substantial living kitchen/dining room with central island and bifold doors onto a generous rear garden.

The ground floor includes a separate spacious sitting room, guest bedroom (used by our client is a large study) additional bedroom with adjacent ground floor bathroom. A staircase leads upstairs to a further bedroom (suitable guest bedroom) which has a well-appointed shower room. The property has neutral colour schemes throughout.

This rural outlook resonates throughout much of the property and in particular at the rear where the covered seating and patio area would be well suited to alfresco dining, together with a generous workshop/studio that offers scope for many different uses.

Of particular note at the front of the property is the recent addition of a new block paved driveway which offers ample off-road parking, together with a brick well, stone center rockery and rustic fencing. Viewing of this property is highly recommended for those looking to enjoy peaceful rural setting.
