BURFORD ROAD, WILTSHIRE, SP28AN

Attractive four-bedroom, terraced property with driveway parking and enclosed rear garden in Harnham.

This period terrace house, built of brick elevations, originally beneath a slate roof, in the earlier 1900s, is presented in good decorative order and has the benefit of double glazing and gas fired central heating. The roof was replaced within the ownership of our clients in 2017 and the overall accommodation was partially extended into the loft space by previous owners. The small enclosed porch leads into a nicely proportioned entrance hall with exposed wooden stair and banister leading to the first floor. Doors lead off to the sitting room and to the dining room which is semi open-plan to the well-fitted kitchen. Beyond the dining area a doorway leads to the rear lobby/utility area and thence to a ground floor shower/WC. Access is also gained to the rear garden. The first floor includes two doubles and a generous single bedroom along with a modern bathroom whilst a further flight of matching stairs, off the well-proportioned landing, leads to the upper floor. This comprises a landing with access to the remainder of the loft storage area and a door into a fourth, double, bedroom with far reaching views over neighbouring gardens. Outside off-road, block paviour parking for two cars was formed in 2022. The enclosed, rear garden is landscaped for ease of maintenance and includes a timber garden shed. It benefits from a gated pedestrian access to a footpath up to the Downton Road.
