DESCRIPTION

The property is a top floor two bedroom apartment in a purpose built block completed by Taylor Woodrow in approximately 2005. It is located within a popular area of Petersfield known as the Ramshill development, which is within walking distance to Petersfield Town centre and train station. The entrance to the block is secure and the well maintained communal stairways lead to the property on the top floor. Upon entering the apartment, you will notice a spacious hallway with a built-in cupboard and access to the loft space, which is boarded making it ideal for additional storage. The layout of the property can be seen in the floorplan, but of particular note is the large 21 ft reception room with ample dining space and dual aspect windows which fill the property with light. The modern kitchen/breakfast room has been updated by the current owner who has fitted new worktops, replaced the oven and hob as well as installing Kardean flooring and made to measure blinds in the main living areas. The apartment boasts two double bedrooms, both of which have built-in wardrobes, and the principal bedroom has its own en-suite shower room. There is also a good-sized family bathroom which completes internal accommodation. Externally, the property has an allocated parking space.
