LOCATION

Market Lavington is a charming village, well served with small supermarket, pub, butcher, doctor's surgery and pharmacy. There is also a primary and secondary school, library and museum. Sitting between West Lavington and Urchfont, the village runs along the edge of the Plain which is perfect for walking and riding. In addition to the village schools, there are nearby independent schools at Dauntsey's in West Lavington, St Margaret's and St Mary's in Calne, Warminster and of course, Marlborough College.

The pretty market town of Devizes is seven miles to the north and has a range of supermarkets, independent shops and cafes as well as a bustling weekly produce market. There is a vibrant annual timetable of live music, festivals, carnivals and events with the famous Wadworth Brewery and Kennet and Avon canal right in the middle.

The lovely and historic cities of Bath and Salisbury are both within a forty five minute drive and are home to theatres, cinemas and comprehensive shopping and dining venues. Communications are good with stations at Pewsey and Chippenham going into London Paddington in just over an hour and access to the M4 and A303 within half an hour.

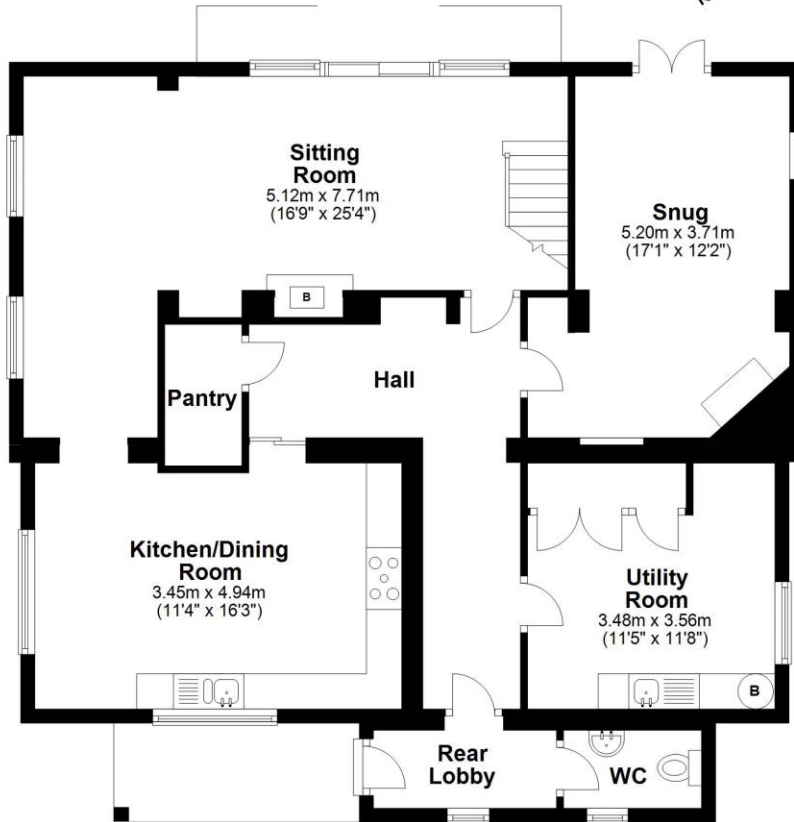

DIRECTIONS

From Devizes, head up Long Street, down Potterne Hill (A360) and through the village of Potterne. At Black Dog Crossroads, turn left onto Spin Hill and follow it up, and down to the next mini roundabout T junction and go left onto The High Street. Continue through the village and over the mini roundabout at the end. Take the next left hand turn and the house will be found on the right just beyond the primary school.
