12 DIAL CLOSE, WILTSHIRE, SN12 6NP

Do not be fooled by the slightly plain exterior of this property. Set away from the main road and tucked away, number 12 was built and subsequently extended in the 1970's and is now a substantial detached house, with a fabulous kitchen/dining room at its heart.

The current owners have updated the bathrooms and installed a beautiful kitchen with Labradorite stone worktops and wooden floors. They have also installed a state of the art, eco-friendly and economical biomass boiler which supplies heating and hot water and a focal point to the kitchen. French windows lead from the kitchen to the decked terrace area and beyond to the garden which houses a new studio/office. A large sitting room with central fireplace provides ample entertaining and relaxing space.

Upstairs there are five double bedrooms, the principle of which has a modern shower room. The family bathroom with bath and separate shower serves the other bedrooms. Viewing is highly recommended to fully appreciate the extent and flexibility of this lovely home.
