At the rear, there is a spacious, light living room with a vaulted ceiling, 2 Velux style windows, and French doors to the garden. Further double doors lead to the contemporary kitchen/dining room, which also has a vaulted ceiling and 2 Velux style windows. The kitchen features Karndean flooring, modern units, splashbacks and granite surfaces, and a range of built-in appliances.

From the hall, stairs lead to the first floor landing which divides at the top. To the left there are 3 double bedrooms. At the front, bedroom 1 has fitted wardrobes and an en suite shower room. Bedrooms 2 and 4 overlook the rear garden

To the right is bedroom 3, which has a built-in cupboard and a comprehensive range of fitted office furniture. The family bathroom is finished to a high standard and comprises bath (with shower over), WC, wash basin and towel radiator.

The property is approached via a substantial brick paved off road parking area which leads to an integral garage housing the gas central heating boiler and a utility area with a sink.

The current owner's passion for gardening is evident when you step outside the house.

The stunning, south facing rear garden includes a lovely enclosed patio surrounded by a 6-foot fence, trellis, mature planting, and dwarf red brick planters. This leads to a central lawn flanked by a wonderful range of planting. A pair of sculpted red brick planters lead you through a pergola providing shade and a small seating area. The pathway, surrounded by mature flower beds, leads to a circular red brick pond. The garden's layout has been thoughtfully designed to facilitate gatherings for multiple guests.
