A stunning 5 bedroom detached contemporary style family home set on a superb elevated site with magnificent westerly views, in one of Wimborne's most desirable residential locations.

Built as a bungalow in 1968, the property has been substantially extended in recent years, and now has a generous footprint of over 4,000 square feet, arranged over 2 floors.

The property is tucked away off a private driveway at the head of Boundary Drive which is adjacent to Colehill cricket ground and about half a mile from Wimborne town centre.

The house has facing mellow brick elevations with colour-washed render and panel features, and a slate roof. It is connected to mains water and electricity, and a gas connection is available at the end of Boundary Drive. Heated by oil and airsource heating, the property benefits from extensive off road parking and triple garaging.

The house is completely screened by high hedges, offering a large degree of privacy, and a feature of the landscaping is a superb entertaining terrace with a Swim Spa Hydro Pool.
