DESCRIPTION

This lovely family home is offered in excellent condition, benefitting from modern touches throughout. Spread over three floors, there is a fantastic loft conversion which is the principle bedroom, offering with a luxurious en-suite shower room and large bi-fold doors on the Juliet balcony. Being south facing, there are great views over London and an abundance of natural light. On the first floor there is a full width front bedroom with bay window and floor to ceiling built in storage, and two additional double bedrooms. The rear facing bedroom opens up via French doors on to a private terrace. This is a great sun trap. The family bathroom is a well-appointed and tiled three piece suite. On the ground floor, there is a through reception and dining room with windows on

both ends flooding the room with natural light. Off the hallway, you will find a guest WC located under the stairs. Finally, to the rear of the property is the contemporary handle-less kitchen space for a breakfast table, and garden room beyond which provides direct access on to the garden. The garden and side return is fully paved for ease of maintenance, and raised beds with tall fencing for further privacy. The property further benefits from scope to extend in to the side return area (STPP) similar to many other properties in the road and immediate area.

This is a wonderful home and viewing therefore comes highly recommended.

LOCATION

Ideally located on quiet residential street which is a few moments from Kensal Green Underground (Zone 2, Bakerloo line) & Overground to Euston, allowing for quick and convenient access to Central London and other parts of the city. The no. 18 bus along Harrow Road also takes you to Euston. College Road is highly popular with independent shops, cafes and The Island GastroPub. Princess Frederica CE School is also within the catchment area and highly popular with parents moving to the area.
