The Finer Details...

Built around 1700, Corner Cottage is a stunning village home set in one of Warwickshire's most sought-after villages. Offering an idyllic blend of traditional charm and modern comfort, this exceptional three-bedroom, two-bathroom family home spans approximately 2034 sq ft of living space, providing a perfect sanctuary in a peaceful and picturesque setting.

Upon arrival, a small entrance porch welcomes visitors into the heart of the home, where a beamed middle hall creates a warm and inviting atmosphere. The first of three ground-floor inglenook fireplaces adds character and charm to this space, setting the tone for the rest of the house.

From the middle hall, you are guided into the spacious lounge, where dual aspect windows frame views of the beautifully landscaped front garden. French doors at the rear open onto a lovely patio and garden, filling the room with natural light. This spacious and elegant room, with its central fireplace, is perfect for both relaxation and entertaining.

Adjacent to the sitting room, the snug room (which is currently used as an office) features dual aspect windows and ample built-in storage, complementing the inglenook fireplace. This room is ideal for family gatherings or as a more intimate space to unwind.

The beautifully renovated kitchen-diner offers a fantastic living space that seamlessly flows into the rear garden. The galley-style kitchen is equipped with high-quality integrated appliances, including a range cooker, fridge-freezer, farmhouse sink, and dishwasher. Windows along the countertops allow natural light to flood the room, while French doors in the dining area lead out to the charming rear terrace.

A family bathroom is located at the end of the middle hallway, accessed via a half-flight of stairs. This bathroom features a WC, stand basin, and a bath with a shower. There is potential to convert this room into a fourth bedroom if desired.

Upstairs, the spacious landing, with front and rear aspect windows, is currently used as a playroom/snug but could easily be transformed into a study or additional living area. The three generously sized double bedrooms are all located on the first floor, two of which are accessed via half landings.

The master bedroom is a particularly delightful retreat, offering a large double room with a dressing area. A half-flight of stairs leads to an en-suite shower room, while double doors with a Juliet balcony provide breathtaking views of the surrounding countryside, allowing you to enjoy the scenery from the comfort of your own room.

Externally, the rear garden is fully enclosed by brick walls and a wooden fence, providing both privacy and scenic views across the surrounding countryside. The garden, features a vegetable garden, a brick-built workshop, and log storage. The spacious, extended patio area is perfect for outdoor dining and entertaining during the warmer months. The front garden is beautifully landscaped with box hedging and an array of mature trees, shrubs, and flowers. A single car garage provides off street parking for one car.
